

## What Does It Take To Be A King?

Our mission is to make a positive difference in the LGBTQ community. As Kings of Eta Iota Mu Fraternity Inc. we vow to uplift our brothers to accomplish goals, dispel negative stereotypes, and mend fences among ourselves and the community. We vow to advocate for equal rights, social justice, and inclusion for the entire LGBTQ community. In the interest of an ever evolving society, Eta Iota Mu Fraternity Inc. does not discriminate towards individuals based upon gender identity. Eta Iota Mu opens its doors to openly transgender males, men of trans experience, trans-masculine, masculine of center non-binary and/or ftm individuals.

The benefits of being a member of Eta Iota Mu Fraternity, Inc. include brotherhood, camaraderie, networking, and a greater sense of pride through community service. As the fraternity continues to reach its goals, we are establishing bonds among successful, focused, and community minded aggressive cis-gender women and transgender males. By creating an organization whose members are diverse, productive members of society, Eta Iota Mu Fraternity, Incorporated will help to bring cis- women and transgender males into the forefront of the LGBTQ community. Our goal is to initiate cis- women and transgender males with a desire for community service while still exceeding personal and professional goals.

The potential member of Eta Iota Mu Fraternity, Incorporated must complete a 12 week program (subject to change, if necessary, per executive committee vote) which focuses on developing mature and respectable members, with community service, fraternal bonding and brotherhood being the major focuses of this program. This important bond will not only be among your line brothers and sisters, but also with the existing members as well. Success in this program requires 100% effort. Give all you have into this program and you will be able to set your place in the history of Eta Iota Mu Fraternity, Inc.

We are here to help develop you into a leader and a productive member of society. You will not only learn information regarding our history but also world history and social issues that affect our community directly. An ETA King is a well rounded individual who always strives to gain knowledge about the world around him. With knowledge a King is now armed with the weapons and tools he needs to survive.
